| 2016        | 12,409              | 10,581          | 5,230        | 3,413          | 14,524     | ...                | 59,859           | 26,053                    |
| 2017        | 12,498              | 10,430          | 5,305        | 6,568          | 14,705     | ...                | 60,867           | 26,142                    |
| 2018        | 12,655              | 9,736           | 5,310        | 6,329          | 14,825     | 61,596             | 61,405           | 26,230                    |
| 2019        | 12,828              | 9,136           | 5,310        | 6,423          | 14,939     | ...                | 61,456           | 26,583                    |
| 2020        | 12,989              | 9,614           | 5,314        | 6,444          | 15,057     | 74,055             | 61,959           | 26,605                    |
| 2021        | 13,125              | 11,377          | 5,315        | 6,352          | 15,259     | 90,788             | 63,317           | 26,331                    |
| 2022        | 13,189              | ...             | ...          | ...            | ...        | ...                | ...              | ...                       |

說 明：1. 中華民國資料僅含支局及代辦所。  
2. 德國2013-2016年資料包含零售通路的寄收據點。

資料來源：萬國郵盟(UPU)《郵政統計年報》。

Note：1. The figures of R.O.C. include branch offices and agencies only.

2. The figures of Germany include services such as DHL Paketshops which are not postal outlets in the strict sense, but offer different parcel-related services from 2013 until 2016.
